6. Resolution regarding distribution of dividend

The Board has previously communicated that it will recommend to the AGM a dividend of NOK 6.50 per share, to be paid in two payments of NOK 3.25 per share in May and October 2018.

Since the number of shares outstanding on the date of the October dividend payment is unknown, it is necessary for the AGM to give an approval for the first dividend payment of NOK 3.25 per share in May 2018 and a power of attorney to the Board to distribute a second dividend payment in October, once the number of eligible shares is known.

The Board then has the power of attorney to distribute the second dividend payment of NOK 3.25 per share in October 2018, in accordance with the legal requirements of the Norwegian Public Limited Liability Companies Act (Nw: allmennaksjeloven).

Consequently, the Board of Directors proposes that the General Meeting makes the following resolution:

"In accordance with the proposal of the Board of Directors, it was resolved to distribute NOK 3.25 for each of the company's shares as a first dividend payment for the accounting year 2017. Based on the company's 107,710,612 shares, the total dividend distribution equals NOK 350,059,489.

The first dividend payment shall be distributed to the shareholders of the company as of the date of the General Meeting. The shares shall be traded exclusive of dividend as of 27 April 2018. Payment of the dividend will take place within 11 May 2018. For Norwegian tax purposes, the dividend shall be considered as repayment of paid in capital."

Furthermore, the Board of Directors is granted a power of attorney to distribute a second dividend payment for the accounting year 2017. The power of attorney expires at the date of the annual General Meeting in 2019."

7. Approval of the auditor's fees

The company's auditor, Deloitte AS, has received a total remuneration of NOK 805,000 for auditing services in 2017.

8. Adoption of the remuneration to be paid to board members

Based on the enclosed recommendation by the Nomination Committee (Attachment 1), the Board of Directors proposes that the General Meeting makes the following resolution:

10. The Board of Director's declaration and guidelines in accordance with Section 6-16a of the Norwegian Public Limited Liability Companies Act

Pursuant to Section 5-6, third paragraph of the Norwegian Public Limited Liability Companies Act, the General Meeting shall consider the Board of Directors' declaration regarding salaries and other remuneration to the executive management.

The General Meeting shall conduct a consultative vote on the Board of Director's declaration with respect to guidelines for salaries and other benefits to the executive management.

The General Meeting shall approve the Board of Directors' declaration with respect to such remunerations as referred to in Section 6-16a, first paragraph, item 3 of the Norwegian Public Limited Liability Companies Act (equity-linked incentives such as allotment of shares, options etc.).

The Board of Directors declaration is attached to this summons (Attachment 2).

The Board of Directors proposes that the General Meeting makes the following resolution with respect to the Board of Director's declaration regarding determination of salaries and other remuneration to the executive management:

"The General Meeting adopts the Board of Director's guidelines for determination of the executive's salaries and other remuneration."

The Board of Directors proposes that the General Meeting makes the following resolution with respect to the Board of Director's declaration with regard to equity-linked incentives through allocation of share options etc. (pursuant to the Norwegian Public Limited Liability Companies Act § 6-16a, first section, third sentence, number 3) as provided in Attachment 2, section 2 (b):

"The guidelines proposed by the Board of Directors with regard to share options etc. (pursuant to the Norwegian Public Limited Liability Companies Act § 6-16a, first section, third sentence, number 3) are approved."

11. The Board of Director's statement of business control pursuant to the Accounting Act's Section 3-3 b

Pursuant to the Norwegian Public Limited Liability Companies Act Section 5-6 (4) the Board of Directors shall provide a statement of the company's business control system according to the Accounting Act's Section 3-3 b and the General Meeting shall consider such statement.

The statement is provided in the company's Guidelines for Corporate Governance, which is published in the Annual Report.

The Board of Directors proposes that the General Meeting makes the following resolution:

"The General Meeting adopts the Board of Director's declaration with respect to business control pursuant to the Accounting Act's Section 3-3 b."

12. Power of attorney to the Board of Directors to increase the company's share capital in connection with the fulfilment of the company's share option programme

In order to attract and maintain highly qualified managers, the Board of Directors wishes to offer competitive terms to its executive team and to other key personnel in the Group. The grant of share options is considered an important factor within an overall performance-based compensation scheme for key employees. The share option program may require issuance of new shares in the company. The Board of Directors proposes that the shareholders' pre-emptive rights may be waived. The reason for such proposal is that the sole purpose of the power of attorney is to fulfil the share option programme.

The Board of Directors proposes that the General Meeting makes the below resolution:

"The Board of Directors is granted a power of attorney pursuant to Section 10-14 of the Public Limited Liability Companies Act to increase the share capital of the company by a maximum of NOK 4,000,000 through issuance of a maximum of 4,000,000 shares, by one or several private offerings to employees of the Group, as part of an option/incentive scheme."

This power of attorney will remain valid until the annual General Meeting in 2019, however it will expire no later than 30 June 2019.

It shall be possible to waive the pre-emptive rights of the shareholders to subscribe for and be allotted shares pursuant to Section 10-4 of the Norwegian Public Limited Liability Companies Act. The Board of Directors shall determine the subscription terms, including the subscription price.

The Board of Directors is authorised to amend Article 4 of the Articles of Association as the power of attorney is utilised."

13. Power of attorney to the Board of Directors to increase the company's share capital pursuant to Section 10-14 of the Norwegian Public Limited Liability Companies Act

It is proposed that the Board of Directors is granted a power of attorney to resolve an increase in the company's share capital by a maximum of NOK 10,000,000 through the issuance of a maximum of 10,000,000 new shares. The proposal is made in order for the Board of Directors to strengthen the company's equity, acquire complementary businesses and any associated obligations, issue shares as merger consideration and issue shares in connection with the establishment of cooperation with industrial or strategic partners. This will give the company the flexibility required to fulfil its strategic goals.

Moreover, the Board of Directors proposes that the shareholders' pre-emptive rights may be waived. The reason for such proposal is that the power of attorney may be used in relation to acquisition of businesses, as merger consideration and as consideration in relation to cooperation with industrial or strategic partners.

The Board of Directors proposes that the General Meeting makes the following resolution:

"The Board of Directors of Atea ASA is granted a power of attorney to increase the company's share capital by a maximum of NOK 10,000,000 through issuance of a maximum of 10,000,000 new shares. The power of attorney also encompasses payments made by means other than cash and the ability to settle share capital contributions through set off.

It shall be possible to use the share capital increase to strengthen the company's equity, acquire complementary businesses and any associated obligations, and to issue shares as merger consideration and in connection with the establishment of cooperation with industrial or strategic partners.

This power of attorney will remain valid until the annual General Meeting in 2019, however it will expire no later than 30 June 2019.

It shall be possible to waive the pre-emptive rights of the shareholders to subscribe for and be allotted shares pursuant to Section 10-4 of the Norwegian Public Limited Liability Companies Act. The Board of Directors shall determine the subscription terms, including the subscription price.

The Board of Directors is authorised to amend Article 4 of the Articles of Association as the power of attorney is utilised."

The Board of Directors is free to determine the methods to be used for the acquisition and sale of the company's own shares.

Proposal from the Nomination Committee of Atea ASA to the company's Annual General Meeting as of 26 April 2018

Pursuant to its Articles of Association, Atea ASA has a Nomination Committee that shall propose candidates for election to the Board of Directors. Further, the Nomination Committee shall propose remuneration to the Board members. The Nomination Committee's external members are Carl Espen Wollebekk and Karl Martin Stang, who were elected at the annual General Meeting as of 27 April 2017. In addition, Ib Kunøe is a member of the Nomination Committee pursuant to the Articles of Association and his position as Board Chairman.

In relation to this proposal, the Nomination Committee has held one meeting.

Proposal for election of Board members

The shareholder elected Board members have in the preceding period been Ib Kunøe (Board Chairman), Sven Madsen, Morten Jurs, Lisbeth Toftkær Kvan and Saloume Djoudat. The entire Board is up for election. The task of the Nomination Committee is therefore to propose all shareholders' elected Board members for the coming period of two years.

The annual General Meeting in 2015 provided the following guidelines for the Nomination Committee:

The Nominating Committee shall, when proposing candidates to the Board of Directors, try to ensure that the following considerations are taken into account;

- (i) continuity and renewal of the shareholders' representation in the Board of Directors,*
- (ii) a composition of the Board of Directors that ensures a qualified professional support to the administration of the company and*
- (iii) that the Board of Directors has adequate independence to the company's main shareholders to ensure that the Board of Directors' control functions are safeguarded.*

The Nomination Committee has resolved that it will propose that the current Board members be re-elected.

The proposal is made pursuant to an overall judgement. Based on the investigations that the Nomination Committee has performed, hereunder dialog with the company's main shareholders, the administration and the members of the Board, it is clear that the current Board fulfils the considerations that pursuant to the guidelines shall be fulfilled. The Board has also on its own behalf performed an assessment of its work, its competence, the cooperation between the Board members and the cooperation between the Board and the company's top management. Such assessment has provided a very satisfactory result. The Board therefore functions very well as a collegium and both the administration, the main shareholders and the Board itself has expressed that it is important to secure continuity in the Board's work. The Nomination Committee is of the opinion that under the circumstances consideration to continuity is more important than consideration to renewal of the shareholders' representation in the Board.

The Nomination Committee's proposal entails that for the next election period the Board will consist of five shareholders' elected members and three representatives elected by and among the employees. The General Meeting's election does not influence the employee's representation in the Board.

Statement with respect to the remuneration to Board members for 2017

At the annual General Meeting in 2017 the remuneration to the Board members for the accounting year 2016 was resolved to be NOK 300,000 to the Board Chairman, NOK 150,000 to the other shareholder elected Board members and NOK 100,000 to the employees' representatives.

The Nomination Committee's proposal to the General Meeting is that the Board member's remuneration is maintained for the accounting year 2017.

This proposal was made unanimously.

The Board of Director's declaration and guidelines in accordance with Section 6-16a of the Norwegian Public Limited Liability Companies Act

Pursuant to Section 5-6 of the Norwegian Public Limited Liability Companies Act, the General Meeting shall consider the Board of Directors' declaration regarding salaries and remuneration to the executive management.

The General Meeting shall conduct a vote on the Board of Directors' proposal for guidelines for salaries and remuneration to the executive management. The vote of the General Meeting is consultative to the Board, with the exception of benefits mentioned in Section 6-16a, first paragraph, item 3 of the Norwegian Public Limited Liability Companies Act (including grant of equity-linked incentives). For these benefits, the vote is binding for the Board of Directors.

The Board of Directors has given the following declaration:

1. Summary of executive compensation policies

The main principle in the Company's policy for executive compensation is that the executive team shall be offered competitive salary terms, with performance-based compensation tied to business results and shareholder value, in order to achieve the desired competence and incentives within the executive management team.

The Company has a separate Compensation Committee that provides the Board of Directors with recommendations regarding salary and other benefits to the company's executive management. Based on the input from the Compensation Committee, guidelines for executive compensation are established by the Board for the coming year, and presented to the General Meeting. According to these guidelines, the salary and other remuneration payable to the President and CEO is determined by the Board of Directors, while compensation payable to other members of the executive management is determined by the CEO in consultation with the Board Chairman.

The above policy for determining executive compensation was valid during 2017 and remains valid for the coming financial year. A more detailed description of the executive compensation paid in 2017 is provided in Note 6 in the Group's annual accounts.

The Board of Directors is of the opinion that compensation agreements that were entered into or amended in accordance with the description above in the previous financial year have had a positive impact on the company and its shareholders. This is based on the fact that the company has been able to attract and retain the human resources that are required to fulfil the company's objectives.

2. Guidelines for salaries and other remuneration to the executive management in the coming financial year

a) Fixed salary and cash bonus

Remuneration to the executive management team consists of a fixed salary and performance-based compensation. This performance-based compensation has two forms. First, performance-based compensation consists of a cash bonus which is determined by the business results of the organization under the executive's management. This cash bonus is based on the organization's operating profit relative to a target. The target is approved by the Board of Directors following an evaluation of market conditions, and the cash bonus is subject to an individual absolute limit.

b) Equity-linked incentives

Secondly, performance-based compensation is provided through equity-linked incentives in Atea ASA and/or the subsidiaries. Equity-linked incentives, which can be offered for instance in the form of shares, independent subscription rights (warrants) and stock options, provide management with an interest in the ownership of the company and create additional incentives toward building long-term shareholder value.

Stock options are granted to the executive team, as well as the management teams of each country and other key employees (approx. 4% of the total employees). The following specific limitations apply with respect to grant of stock options in Atea ASA: (i) As a general rule, the stock options vest during a period of three years. The maximum number of options vesting in any given year will not exceed three percent of the shares outstanding in the company (in 2017, this was 1.0 percent). (ii) The strike price of the stock options will be set at the market price at the time of grant. The strike price will be adjusted for any dividends paid before exercise. (iii) Stock option grants have a cap of 3 times the market price at the date of grant. If the share price exceeds the cap price, the options may be settled by the company in cash based on the gain calculated at the cap price, providing an absolute limit to the possible gain.

c) Pension, benefits in kind and severance pay

Finally, members of the executive management team participate in the pension scheme of the local subsidiary in which they are employed. In addition, members of the executive management may receive certain limited benefits in kind, including a company car, telephone/internet access, and subscription to journals/newspapers. The terms of employment for the executive management vary with regard to their entitlement to severance or termination payments. The terms of employment for the executive management vary with regard to their entitlement to severance payments. Details regarding individual severance terms are available in Note 6 of the Group financial statements.
